OFFICE OF FINANCE AND ACCOUNTING

Spring Quarter Registration

If you are planning to register for Spring Quarter, 1990 and have an outstanding balance on your student account, you will need to pay this balance to the Office of Finance and Accounting by **Friday, February 16** or bring your full payment on your balance along with your required registration deposit of \$200 towards tuition and required fees when you register. The dates for Registration are February 20 - 23.

Miscellaneous fees (including parking, computer fee, ASC Yearbook, Fuller Fund, etc.) must be paid in addition to your registration deposit of \$200.

Students with *Approved Loan Pending* with the Financial Aid Office will be required to pay \$100 plus any miscellaneous fees. All Special Registrations require a full \$200 initial payment regardless of a loan pending.

Tuition Remission cards for the Spring Quarter will be available at registration or in the Student Accounts Office. They must be turned into Student Accounts by Friday, April 6. Please be sure they are completely filled out and signed by your supervisor.

Daytime Tuition Remission for Spring '90

Individuals requesting tuition remission for a daytime class for the Spring Quarter must have their written request into the Student Accounts office by the end of the seventh week of the Winter Quarter. Notification of this one-time extension for daytime requests has been distributed to administrators. Forms are available in the Student Accounts office. Please make sure they are complete when filling them out, and that you have your supervisors sign your form.

For all requests for future quarters your requests for any exception must be handed into the Student Accounts office by the fifth week of the quarter prior to the one for which you are requesting an exception. Only full-time employees who have been such for eighteen months or more are eligible for consideration for daytime classes covered by tuition remission; only one class every three quarters can be requested. Consult the Personnel Handbook for further guidelines.
